

## Genesis 35:11

---

"I am God Almighty; be fruitful and increase in number. A nation and a community of nations will come from you, and kings will come from your body."

---

Faith Community Baptist Church (FCBC) has a vision. We will serve the nations by planting and building apostolic faith communities of disciple-makers for Jesus through the establishment of cutting-edge ministries in gateway cities.

## Serve the nations by building Apostolic Faith Communities for Jesus

To fulfil the vision, FCBC is building strong faith communities using the G12 strategy. So whilst our members are disciplined through G12 groups, they also reach out to pre-believers through open cells and interest groups. All members of the church go through an equipping track which starts with an Encounter with God, Post-Encounter lessons in Christian living and then on to School of Leaders, where they learn how to win people to Christ and disciple them. And in the process, our members' family lives and marriages are also strengthened.

## Serve the nations by establishing Cutting-Edge Ministries

The G12 strategy in itself is cutting-edge. It is effectively used worldwide in winning people to Christ and anchoring them in a relationship with Christ and with the body of believers. FCBC is particularly at the forefront of the G12 ministry in Asia.

Our members regularly initiate and conduct outreach activities to serve the needs of people of all ages and walks of life. Our specialised ministries care for specific categories of people, like the Prison Ministry and Special People Ministry, to name a few. Gateway Entertainment, our media ministry, produces many quality dramas and features that tug at the heartstrings of people.

Our magic-musical spectacular, Magic of Love, has been a cutting-edge evangelistic tool on our shores and beyond. So far, more than 200,000 people from all over Asia (including Singapore) and USA have seen the performances and through it, they have learned about the love of our Heavenly Father. Another cutting-edge ministry is TOUCH Community Services (TCS), which is our social service arm. Over the years, it has touched countless lives through its many welfare services.

## Serve the nations through Gateway Cities

Obedient to Christ's command to go to the nations, FCBC has extended humanitarian aid in projects like Love Turkey, Love Taiwan, Love Afghanistan, Love East Timor, and also in the Tsunami relief efforts in Indonesia and Sri Lanka. These projects have allowed us to bring the love of God to these nations. We also served the churches in gateway cities throughout Asia in Japan, China, Indonesia and Thailand by facilitating G12 conferences there.

Singapore is a gateway city closest to our heart. Our desire is to bless our nation with the saving knowledge of our Lord Jesus Christ. If you identify with this passionate vision, or wish to be strengthened in your faith in Jesus, join an open cell today. Vision 2001 was revealed to FCBC and churches in the LoveSingapore movement to see the nation of Singapore come to know the love and lordship of Jesus.

1996

FCBC mobilised 1,200 of its members into the mission fields for two weeks to model the cell life church in over ten countries. We also celebrated FCBC's 10<sup>th</sup> year of existence and Senior Pastor Lawrence Khong led the first 40-day fast to build stronger relationships and have greater effectiveness in the ministry.

1998

TOUCH Community Theatre was inaugurated as a second place of celebration, with a direct video link to TOUCHCENTRE. We launched the LoveSingapore Fund as the umbrella for churches in Singapore to help those affected by the Asian Economic Crisis.

## 1999

FCBC multiplied tremendously with a 79% increase in cells and some 3,000 conversions. FCBC also participated in the Carlos Annacondia Rally, which witnessed an attendance of 100,000 and some 5,000 salvations and healings.

## 2000

Senior Pastor Lawrence Khong was ordained as an Apostle by Dr Peter Wagner of the International Coalition of Apostles. FCBC ventured into the media ministry to reclaim this industry for Jesus Christ.

## 2001

FCBC was part of the LoveSingapore churches' 7-Wave Harvest. Thousands came to know the Lord. Senior Pastor Lawrence Khong launched an evangelistic magic-musical, Magic of Love, which was attended by some 40,000 people.

## 2002

FCBC begins transition into a Government of 12 (G12) cell church. The G12 movement, founded by Pastor Cesar Castellanos, is a strategy for winning the world through evangelism and discipleship. Senior Pastor Lawrence Khong was commissioned to be a member of Pastor Cesar's International G12.

## 2003

FCBC successfully transformed itself into a full-fledged G12 cell church by meeting our target of 1,728 leaders each for our Men and Women Networks. We witnessed 943 baptisms in our church services – the largest number in the history of FCBC in any one year.

## 2004

The Lord birthed a new dream for FCBC, and with that came a new vision. God is calling FCBC to serve the nations by planting and building apostolic faith communities of disciple-makers for Jesus through the establishment of cutting-edge ministries in gateway cities.

## 2005

Immediately we started serving the nations – we helped rebuild Sri Lanka and Aceh communities devastated by the tsunami and organised mission trips to E.Timor. Back home, we baptised over 900 converts.

## 2006

Celebrating our 20<sup>th</sup> Anniversary in this Year of Celebration, the various G12 networks collaborated to serve the nations in the ASEAN region as well as China, Hong Kong, Japan and Timor Leste. On the home front, FCBC continued to grow at the 5<sup>th</sup> International G12 Conference and various harvest events – Good Friday, the Ultraviolet Concert, the inaugural Family Festival and the Magic of Love at Christmas.
